

Case Studies

Jean Marie River TTHETS 'EHK' EDELI

ELDERS + Council → Find more info about what's going on with the environment.

but we need our own from our own Dene perspective

so we did interviews.

Used Maps a lot, map studies.

ex.

OBSERVATIONS, such as

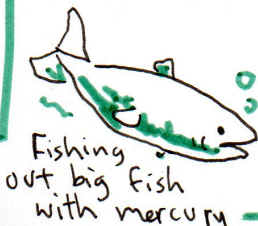

high water

vs.

Water level Changes

Access road

Get Youth involved in climate change study:

Studies, priorities:

- * Permafrost
- for infrastructure planning
- * Foodsecurity
- No grocery store
