Trade your old, inefficient light bulbs for new efficient LEDs

LED lighting

Saving electricity, saving \$\$!

Save up to 80% on electricity for lighting

- Works well in the cold
- Lasts up to 25,000 hours
- Can be dimmable
- Doesn't contain mercury

In one year you could save \$300; that's enough to buy:

300
Bottles of baby milk

6
Bags of groceries

1
Chain saw

PHILIPS
